

Says
What have we heard them say?
What can we imagine them saying?

Thinks
What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

Does
What behavior have we observed?
What can we imagine them doing?

Feels
What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?

I expected something different

If you can imagine it, you can achieve it.

I'm locking for something reliable

I want something awesome

Wasting too much time

Should not this be easier.
